Election/Restrictions

Applicant's election with traverse of 12/23/05 in the reply filed on 1/23/06 is acknowledged. The traversal is on the ground(s) that the method of cutting a block defined in the non-elected claims requires the use of cutting the blocks in the elected claims. This is found persuasive, thus the requirement has been withdrawn.

Examiner's Statement of Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The art of record considered as a whole alone or in combination neither anticipates nor renders obvious, a device comprising a plurality of generally spaced-apart blades wherein there is a spacing variation of at least 1 mm between a maximum center-to-center distance and a minimum center-to-center distance of the cutting segments, together in combination with the rest of the limitations set forth in the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alvin J. Grant whose telephone number is (571) 272-4484. The examiner can normally be reached on Mon-Fri 8:00-4:30.
